A-LINK

A-LINK SD8GA
8 PORT 10/100/1000Mb SWITCH

Your Connection to Network.

A-LINK SD8GA(r), 8-port 10/100/1000MB Switch with MDI-X autosensing ports.

Product specification :

• **Standards :**

    IEEE 802.3 10BASE-T
    IEEE 802.3u 100BASE-TX
    IEEE 802.3x
    IEEE 802.3ab 1000BASE-T

• **Autosence :**

    Auto-MDI/MDIX detects and
    corrects cabling errors.

• **MAC address :**

    4096

• **Buffer memory :**

    1Mb

• **Forwarding mode :**

    Store-and-forward

• **Interface :**

    8 x 10/100/1000 Mbps RJ-45 ports

• **Transmission mode :**

    Half or full duplex

• **Protocol :**

    CSMA/CD

• **Uplink :**

    Shared with 8th port

• **Flow control :**

    Back pressure, IEEE 802.3x

• **Panel indicators :**

    Per unit: power
    Per port: link/activity, 10/100/1000Mb indication

• **Output of power adapter :**

    12V DC, 1.0A

• **Compliance :**

    CE and FCC

• **A-LINK Retail package contains :**

    - Switch
    - Power adapter
    - Installation guides

• **Ean / Order code :**

    - 6418949 026106
